## Glossary

### First Owner

When the first owner is obtained from a Department of Motor Vehicles, it is considered proof of ownership.

### New Owner Reported

When a vehicle is sold to a new owner, the title must be transferred to the Department of Motor Vehicles.

### Ownership History

CARFAX identifies an owner as an individual or business that possesses a title. CARFAX transactions represent changes in ownership. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US, including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history. Have Questions? Please visit our Help Center at [www.carfax.com](http://www.carfax.com).

### Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
